Day 2 Shanghai

(B/L)

HOTEL : A: Holiday Inn Hotel(4*) or similar
B: The Longemont Shanghai Hotel(5*) or similar

After your hotel breakfast, the tour guide will meet you at hotel lobby and start the tour. You'll take in the key exhibits with your guide before heading out by car to the old city for a walk through the classical Chinese garden nearby. The Yuyuan Gardens were founded as the gardens of Ming Dynasty officials back in the 1500's, and after being destroyed occasionally during warring periods, what stands now is a finely restored piece of Chinese history. Complete with pavilions, ponds, and impressive rockery, this is a pleasant place to walkabout, even considering the crowds that can be anticipated. After your guide's narrative of Shanghai's recent history and European influence, you'll walk along the Bund waterfront lining the Huangpu River with unimpeded views of the modern Pudong Skyline on one side and the contrast of Asia and Europe on the other. Once home to trading houses & financial institutions, the buildings along the Bund are of European style; furthering the rich character of China's most cosmopolitan city. Take some time to discover the Lujiazui financial district, an impressively modern collection of over 100 high-rise buildings located on the east side of the Huangpu River. Home to hundreds of financial institutions, banks, international companies, a central park area, and some eye-catching architecture, including the iconic Oriental Pearl Tower, Lujiazui is a great place to acquaint yourself with the city's modernity. Visit Oriental Pearl Tower (Including 263m Sky Galleria 259m Transparent Sky Walking). This 468 meters (1,536 feet) high tower is the world's sixth and China's second tallest TV and radio tower. During your tour, you'll stop at the hip and historic French Concession area that now sees itself as a popular shopping and dining spot. Take some time in the Xintiandi neighbourhood, located in the French Concession, in what is now part of the Luwan and Xuhui Districts. Among the shopping and other main features of the area are the mid-19th century Shikumen, or Stone Gate, buildings flanking narrow alleys and streets. Also notable, the first National Congress of the Communist Party of China was held in the area.

Day 3 Shanghai

After your hotel breakfast, meet and transfer for your half-day tour to Zhujiajiao Water Town, which has a history of over 1,700 years and is a well-preserved ancient town with a typical Southern China style, known as "Shanghai's Venice". The town is an interesting contrast to the modern wonders of Shanghai with its ancient buildings, stone bridges, and meandering river-ways. Drive back to Shanghai for the afternoon at your leisure.
